

Last year's winner, Alicia, Grade 6

Christmas on the Gold Coast

Drawing Competition

All southern Gold Coast students in Years 3 to 6 are once again invited to participate in a special Christmas Drawing Competition.

The winner will receive a bumper *Book and Art Pack* and their drawing will feature on my Christmas Card to local residents, distributed to 70,000 homes!

A runner-up from each year level will also receive a prize pack. This is a fun way to showcase young talent and get excited about Christmas on the Coast!

Draw your best picture with the theme "Christmas on the Gold Coast" in the box on the right and return this form to my office (PO Box 409, Varsity Lakes 4227). You can turn the page sideways if you want a landscape dimension.

Entries close on Friday October 6.
